Swim Lessons

Swim Lessons may be offered at the pool by private Class A Ashborough residents in good standing. Any Class A resident in good standing may provide swim lessons to residents or non-residents during regular pool hours. No space will ever be reserved for swim lessons, nor does the Ashborough Civic Association endorse or manage any swim lesson programs. Acting as an agent for a for-profit business is not permitted.

The Ashborough Alligators swim coaches, as a supplement of their coaching duties, may also provide swim lessons to residents, families of current Ashborough Alligators and aspiring Ashborough Alligators.

Stroke and turn lessons may also be offered by the coaches outside of practices. No space is ever reserved for these lessons and are not endorsed or managed by the Ashborough Civic Association. Contact the swim team coordinators for more information.

Restrictions

No non-residents (including B members) may be allowed in our pool facility to provide swim lessons to non-residents. This is strictly PROHIBITED and constitutes a major liability issue.

Class A residents and B members may solicit outside swim lesson providers to provide “we come to you” services at the pool. These may be private or licensed swim lesson providers. Guest rules apply to this type of lesson. No space will be reserved for these lessons and are not endorsed or managed by the Ashborough Civic Association.

Violation of these rules may result in loss of privileges to the residents responsible for the key card.
